

Students enrolled in the combined TCP + M.Ed. in Urban Teaching program (MUTMED)

Here are the steps for finding your TCP courses for registration:

1. Login to **Cyberfriar**.
2. Select **Student Services** -> **Registration** -> **Search for Courses**.
3. Enter the **term** (e.g. Fall 2017) and click Submit.
4. Scroll down and click on **Advanced Search**.
5. In the **Subject** field: Select **Education**.
6. **Course number**: Enter the number of the course you wish to register for using the list below:

Course name	Course number
Educational Psychology	791
Principles of Secondary Education	792
Reading in the Content Area	622
Educational Measurement	813
Exceptional Children in the Regular Classroom (Special Needs)	815
Methods in Secondary Education	808

7. Click on the **Class Search** button.
8. Click on the box in the **Select** column, then click **Register**.
9. Follow the instructions for paying for your course.

If you need any assistance, please feel free to call us in the SCE (School of Continuing Education) office (401-865-2487).
